

ST. GEORGE'S  
SCHOOL

March 10, 2022

Dear Accepted Student,

Congratulations on your acceptance to St. George's!

When you walk around our campus at 3:45 p.m. most afternoons, you'll find students in the prime of their day. After an immersive day of classroom learning, students are ready to explore their other talents – athletics, the arts, and service to others – an integral part of life at SG. When you become a Dragon, you'll make your mark as a competitive athlete fighting for rivalry wins, as a talented performer that shines in front of a crowd, or by challenging yourself to try a different, unique experience like winter surfing at Second Beach.

Dragon pride runs deep. This year, our varsity football team won a home bowl game to close out a dominant season, our Sailing program is nationally ranked, our Boys & Girls Swim & Dive teams were crowned ISL champions, and three different male and female basketball players hit the 1,000 point mark this winter. Outside of the athletic arena, students crafted their own wooden surfboards, created an art-exhibition for Clean Ocean Access, and successfully produced *The Wizard of Oz* for the school community.

At SG, you are empowered to create your own afternoon experience. Along the way, you'll develop strong bonds with your coaches, mentors, and program directors as they help you achieve excellence in your activities, emphasizing intangible life lessons that will prepare you for experiences beyond high school.

It's a privilege to wear a St. George's uniform and to represent your school in meaningful ways. I look forward to seeing what you bring to SG next year!

Sincerely,

Bob Pipe  
Director of Athletics
