

ST. GEORGE'S
SCHOOL

March 10, 2022

Dear Parent/Guardian,

Deciding on how best to pay for your child's education at St. George's for the 2022-2023 academic year can take some consideration. Below is a description of the various tuition payment options available to help meet your family's needs.

Tuition Payment Plans:

SEMI-ANNUAL PLAN — Two tuition payments are due as follows: 60% on or before July 15 and 40% on or before December 15. (Late fees will be applied monthly after those dates.) A direct debit option is available at no additional cost for tuition and/or incidental charges. Payments can also be made with a credit card or e-check through the MyBackpack homepage on the Parent Portal. A convenience fee of 3% is charged for all credit card payments.

FACTS MONTHLY PLAN — If an installment plan is preferred, FACTS Tuition Management offers a monthly plan with ten monthly installments. The first installment is due June 10 and the last due March 10. The fee to enroll is \$100. Payments may be made by check, direct debit, or credit card. Enroll at Online.FACTSmgt.com.

NOTE: If you have not signed up for the FACTS monthly payment plan or paid in full by June 15, tuition will be charged using the semi-annual 60/40 plan.

Financing Options:

K-12 FAMILY EDUCATION LOANS are no longer offered by SallieMae but may be available from your financial institution or other private lenders.
